Town celebrated the Fourth of July with fun!

The Town of Lauderdale-By-The-Sea celebrated another patriotic **Fourth of July** this year with a fantastic parade, cookout, pony rides for the kids, entertainment and water slides.

Mother Nature refused to cooperate at times (it rained on parts of Friday, Saturday and Sunday), but people still enjoyed all the festivities honoring our nation's birthday.

Mayor Roseann Minnet, who chaired this year's **Fourth of July Committee**, thanked the **Volunteer Fire Department**, the **Chamber of Commerce**, the businesses and all the numerous resident volunteers who helped out this year.

"They really stepped up to the plate on short notice," Minnet said.

Despite the rain, the fireworks show went on as planned. Minnet said the show started 10 to 15 minutes earlier per a recommendation made by the **Town Fire Marshall**, who was concerned about the rain impacting the fireworks shells.

Deputy honored for apprehending dangerous suspects

Broward Sheriff's Office Deputy Jason Friedrich was recognized by the **Town Commission** for outstanding police work that led to the apprehension of two fleeing suspects who were later charged with the murder of a man in **Pompano Beach**.

Friedrich is a familiar site to Town residents and visitors as he patrols the roads and neighborhoods of Lauderdale-By-The-Sea on his sheriff's office motorcycle.

Friedrich was patrolling **State Road A1A** in the north part of Town on May 21 when he spotted a speeding southbound vehicle. Unknown to Friedrich, the two men in the vehicle were fleeing the scene of a prescription drug-related shooting in Pompano Beach. The victim later died from his gunshot wound.

Noticing the driver's suspicious actions, Friedrich made a traffic stop in the 1900 block of A1A. He apprehended the driver and immediately called for back-up as the passenger in the vehicle fled.

JOB WELL DONE: Broward Sheriff's Office Deputy Jason Friedrich (left) holds a plaque he received in June from BSO Chief Oscar Llerena.

The fleeing suspect was soon caught and arrested after a BSO helicopter and K-9 unit set up a perimeter in the area. **BSO Chief Oscar Llerena** recognized Friedrich at the June 8th **Town Commission**

meeting and presented him with a plaque for his actions in apprehending the two fleeing suspects.

Commissioners thanked Friedrich for his bravery and dedication to his job. □

Everyone is welcome to attend. Non-profit groups who work with seniors and the handicapped are encouraged to participate in the fair. Display areas are free to qualified non-profits.

Some of the shells did not explode in the Grand Finale, but the Town will obtain a partial reimbursement from the Town's fireworks vendor.

The rain held off for the entire parade on Sunday morning. It featured police, fire and EMS vehicles, as well as the Pelican Hopper, local veterans, elected officials and numerous Town residents.

"Every year we do it a little bit different," Minnet said, saying she will pass along her event notes from this year to next year's committee on areas where adjustments can be made to make our Fourth of July in 2011 even better! □

Pagano celebrated her birthday with an estimated 50 guests and friends (including Town Commissioner Chris Vincent and his daughter Paige) at the condominium where she resides. The birthday party was hosted by Julianne Hall and Darlene Weiser, two of Pagano's condominium neighbors. A Town proclamation honoring her 104th milestone (she also received one when she turned 100) was passed by Mayor Roseann Minnet and the Town Commission in July. Pagano attributes her longevity to good healthy living, no smoking or drinking and ballroom dancing.
